

4th Annual Day of Tobacco Treatment Learning & Networking

Learn about the latest *Clinical Practice Guidelines: Treating Tobacco Use and Dependence* and ways to increase client success in tobacco treatment through proven strategies. Special topics include health care systems integration, treatment with AODA and mental health issues, treating pregnant tobacco users, intervening with teen and young adult smokers, and working with special populations among Hmong, Native Americans and free clinic clients.

Speakers include **Michael Fiore, MD, MPH**, Professor of Medicine, Director
Bruce Christiansen, PhD, Researcher
Kate Kobinsky, MPH, Quitline Coordinator
UW Center for Tobacco Research and Intervention

Panelists representing AODA and mental health services, First Breathe, WI Tobacco and Poverty Network, WI Native American Tobacco Network, Open Door Clinic, La Crosse County Health Department Hmong and Young Adults Projects will also be presenting.

When: **Tuesday, June 10, 2008** ♦ 9 a.m. - 3 p.m.

Location: Best Western Trail Lodge & Suites
3340 Mondovi Road, Eau Claire

Fee: No Cost. Lunch and refreshments are provided.

This conference is designed for physicians, physician's assistants, nurse practitioners, health professionals, public health department staff, addiction treatment counselors, mental health professionals and other professionals who counsel individuals on quitting smoking or who conduct tobacco treatment classes.

A certificate of attendance will be issued for 5 hours of continuing education/in-service hours (3 hrs morning session/2 hrs afternoon session).

A block of rooms has been reserved until May 9th at the state rate of \$62.00 for June 9th. To reserve a room call 715-838-9989. Use the group code #4476 to receive the state rate.

There is no fee but registration is required by June 5.
