Register by May 21 at <http://www.tobwis.org/coalitions/events.php>

Speakers

Michael Fiore, MD

Bruce Christiansen, PhD

Kate Kobinsky, MPH

Eric Heiligenstein, MD

guideline panel chair
guideline update coordinator
quit line coordinator
mental health expert

Additional speakers and panelists will address new tobacco dependence research and community approaches for reaching priority populations that use tobacco, including pregnant women, teens and young adults, Hmong, American Indian, low-income and those with substance abuse and mental health issues. Link to the specific agenda at:

<http://www.tobwis.org/uploads/media/Trainings-TobaccoTreatmentWausauAgenda.pdf>

Who Should Attend? This conference is designed for all healthcare providers and professionals who counsel individuals on quitting smoking or who conduct tobacco treatment classes. This conference is especially helpful for clinic and quality-improvement managers who are designing and improving systems to address tobacco use and treatment.

Lodging: A block of rooms is reserved for our group at a rate of \$62 single/\$72 double. Rooms will be held until April 28. Call 1-800-659-2220 or go to stoneycreekinn.com to make your reservation. Cancellation: If you need to cancel your meeting registration, please contact Mary Hilliker at mhilliker@wisc.edu or call 715-842-0608.

Continuing Education: A certificate of attendance will be issued for 5 hours of continuing education/in-service hours (3-hour morning session/ 2-hour afternoon session).

Contact: Susanne Morris at 715-369-2194.
